

HYDRAULICS LINE CARD

DANFOSS POWER SOLUTIONS

Open and closed circuit piston products, LSHT motors, steering, proportional valves, mobile electronics, gear pumps and motors, cartridge valves, and custom HICs

Argo-Hytos
Directional control valves, filtration

Hydro Leduc
Fixed displacement piston pumps and motors

ASA Hydraulik
Heat exchangers, butterfly valves

Kinematics Manufacturing
Slew rings, slew drives

Concentric
Gear pumps, motors, rotary flow dividers, hydraulic power packs

Mico
Off-highway brakes, actuators, controls

Daman
Standard and custom hydraulic manifolds

MP Filtri USA
Filtration, particle counters, reservoir accessories

Data Panel
Distribution blocks, cables, connectors

MTS Sensors
Linear position and liquid-level sensors

Donaldson
Filtration, reservoir accessories, fluid conditioning equipment

Rotary Power
Heavy-duty radial piston motors

Durst
Pump drives, transfer cases, bevel drives, worm drives, parallel shaft gearboxes

SFP Hydraulics
Hydraulic accumulators

Emmegi
Heat exchangers, combination coolers

Spicer® Torque-Hub®
Torque-Hub® final drives, input adapters, right-angle drives

Eskridge
Planetary gear drives, drive heads, bearing adapters, brakes

Sure Grip Controls
Joysticks, control handles

Geartek
Cast iron gear pumps, motors, flow dividers

Topcon Electronics USA
Rugged displays, operator panels

HBC-radiomatic
Radio remote controls

Walvoil / HydroControl / Galtech
Sectional and monoblock valves, hydraulic remote controls, selector valves

HydraForce
Cartridge valves, custom manifolds and HICs, proportional valve drivers

White Drive Products
Orbital motors, steering units

Hydro-Gear
Hydrostatic transaxles, closed circuit piston pumps, wheel motors

Valvole
Counterbalance valves, electronic controllers
